- Coupon on Super saver can’t be revalidated on the same class(V,N), it must be reissued on T/class and above
- No Show fee (as stated above) is 25% of the value of the relevant flight coupon. No Show on N or V classes, the coupon will be revoked and cannot be re-used or refunded, only taxes can be refunded.
- It is always recommended to use automated exchange tools in the reissuance process and collection of fees.
 - Travel Service Providers are always requested to check the fare rules from a fare display or after a pricing response on their GDS system by using the entries shown in the below table:
