

**Updating Piece Concept for Free Checked-In Baggage on Domestic Flights**

**Date**  
24 April 2016

**Reference number**  
201604241

**Implementation date**  
01 May 2016

This bulletin is an update for the previous one [201602111](#) issued on the 11th of February, 2016, related to Checked-In Piece Concept on all domestic flights, where the excess baggage fees at the airport has been adjusted to become 140 SR; starting the 01st of May, 2016.

The amendment doesn't include the excess baggage fees through following:

Internet - smart devices - Kiosks Online Services. Where it will remain on the same estimated fees (SR 100).

**Policy:**

Piece concept for free allowance checked-in baggage is applied on all domestic flights that aren't being a part of international flights, as follows:

**1. First/ Business class:**

Guests are entitled to carry two pieces of luggage, not exceeding 25 KG (55lbs), with dimensions not more than (158) cm.

**2. Guest class:**

Guests are entitled to carry one piece of luggage, not exceeding 25 KG (55lbs), with dimensions not more than 158 cm.

**3. Al-Fursan (Gold / Silver), SkyTeam ( Elite / Elite Plus ) members:**

Allowed to carry one free extra piece not exceeding 23KG (50lbs), in addition to the free allowed checked in baggage according to the traveling class.

**Note:**

Each piece shouldn't exceed 25KG (55lbs), with maximum of 32KG (70lbs) and SAR140 will be charged as excess weight.

**Extra baggage fees:**

- ✓ 140 SAR will be collected for each extra piece that is more than what is allowed for every travel class.
- ✓ 140 SAR is collected, in case the baggage exceeds the dimensions of (158 cm but less than 205 cm).
- ✓ If the baggage exceeds 23KG (50lbs), then the passenger is requested to rearrange his/her baggage belongings until it reaches the allowed weight.
- ✓ If the piece's dimensions are more than 205 cm, and can't be divided, then it has to be shipped via cargo.
- ✓ In case baggage exceeds allowed number of pieces for each class, but falls within allowed weight, then 140 SAR is collected for each extra piece.

**Example:**

Guest with first class ticket, and has a checked-in baggage, came to airport with three pieces weighing (50) KG, in this case Saudia collects the fee of the extra piece only, even if the total weight didn't exceed 50KG.

**Table explaining allowed baggage:**

Travel class	Adult & Child	Al- Fursan Gold & Silver Elite/Elite plus	Infant
<b>First &amp; business</b>	2 Pieces Each Piece not to exceed 25KG (55lbs)	1 Extra piece not to exceed 23KG (50lbs)	1 Piece not to exceed 10KG
