Based upon the telegram of the Embassy of The Custodian of The Two Holy Mosques in Berlin numbered 8/2/405, dated on 20/10/1434 H, corresponding to 27/08/2013; Regarding the Conditions of Direct Entry to The Republic of Germany and the importance of having a valid visa through one of its embassies, or going through the country from which the Schengen visa was obtained first and then entering Germany.

Therefore, we call upon all travel service providers to notify passengers wishing to visit the Republic of Germany with the importance of issuing the Schengen Visa through one of its embassies or going through an airport of the Schengen visa issuing country first and then entering Germany.
