Saudi Arabian Airlines has completed all the preparations for the operation of the first flights to the city of Manchester, United kingdom, within its international network, whereby the first scheduled departure flights will be on Monday, 01 Jumada Al-Thani 1435, corresponding to 01 April 2014.

Manchester station has been operated to promote SAUDIA's competitive position on the international sector, as well as to serve multiple segments of the passengers, including scholarships in Britain universities and institutes in addition to the pilgrims from the Muslim community in Britain, and to serve the economic and tourist traffic between Saudi Arabia and Britain.

**Flights schedule:**

- (3) flights weekly in each direction between Jeddah and Manchester on Tuesday, Thursday and Sunday.
- The route from KSA will be Jeddah to Manchester, flight number (SV0123), and the route for the return trip will be Manchester to Jeddah, flight number (SV0124).
