According to the telex of Saudi Arabia’s embassy in Dakar number 201 dated 25/10/1435H, concerning the travel of Saudi passengers to Senegal without obtaining an official entry visa.

Whereby it has been noted that many Saudi passengers travelled to Senegal without obtaining an official entry visa, have been detained at the airport for long hours, refused entry into Senegal, and deported back to Saudi Arabia.

Therefore all Travel Service Providers inside and outside Saudi Arabia should:

- Refer to the TIMATIC system when booking or issuing tickets for SAUDIA destinations to ensure that the visa requirements are fulfilled.
- Inform passengers of the visa requirements for the requested destination.

The above precaution procedure protects SAUDIA passengers against inconvenient situations outside the kingdom, and also protects Travel Service Providers from legal accountability and/or penalties.

**For more information about TIMATIC travel information please refer to the example below.**
