Saudi Arabian Airlines has completed all the preparations for its flight operations to the Maldives, within the international network. The first flight is scheduled to depart on 21 Jamadi Ul Akhir 1437, corresponding to 30 March 2016.

Maldives station will help in promoting SAUDIA’s competitive position on the international sector, as well as to serve the economic and tourist traffic between the Kingdom of Saudi Arabia and Republic of Maldives. In addition, flights to the Maldives will serve multiple segments of the passengers including Hajj & Umrah passengers from Maldives.

**Flights schedule:**
- (2) Flights weekly in each direction between the Kingdom of Saudi Arabia and Maldives, Wednesday and Saturday.
- The outbound route will be as following RUH/MLE. Flight no. SV786 and the inbound route MLE/RUH Flight no. SV787.
