This bulletin is an update for our previous bulletin No. 201605241 issued on 24 May 2016 and bulletin No. 201604241 issued on 24 April 2016, related to implementing the piece concept on international and domestic flights and excess baggage calculation.

**Allowed Weight/ Piece concept for infant:**

- **All classes on International and Domestic flights**
  - The number of free pieces allowed is (One piece) and the weight should not exceed 23KG (50 lbs).
  - The dimensions of the piece on all flights are 158cm (62 in).
  - It is not permitted to exceed the weight of 23KG (50 lbs) for one piece per infant as a maximum weight. The excess weight must be taken out until the allowed weight reached. (The excess baggage of the infant is transferred on the escort ticket and treated as an adult excess baggage).

**Excess baggage:**

Infant excess baggage is not permitted on international and domestic flights.

**Excess baggage:**

Infant excess baggage is not permitted on international and domestic flights.

**Excess baggage:**
